Editable Geometric Background Pack

Twelve original geometric compositions in three sizes, with editable SVG and rendered PNG pairs.

Browse the twelve compositions

The pack includes twelve independently authored geometric designs with quiet text areas. Choose a composition in the offline editor to preview it. No original AIGC image or wallpaper is used as an input to the drawing script.

Choose an exact format

Each composition is supplied as square 1200x1200, slide 1920x1080 and portrait 1080x1440. SVG and PNG files have matching names. A composition adapts to its format rather than being an unrelated crop.
